FOOD

## FDA Destroys 2,450 kg of Chicken, 700 kg Imported from Delhi

The FDA destroyed 2,450 kg of chicken after inspections revealed multiple food safety violations. The violations included improper handling, contamination risks, and non-compliance with labeling requirements.

A significant portion of the seized stock—700 kg—was found to be linked to a shipment imported from Delhi. The agency cited a lack of proper documentation and the presence of unauthorized additives as the primary reasons for the destruction.

This action demonstrates the FDA's commitment to enforcing strict standards on imported poultry. Officials stated that the decision was made to protect public health and prevent potential foodborne illnesses.

Following the incident, import procedures for poultry products in the United States are under review, and authorities are urging exporters to comply with all regulatory guidelines.

LOCAL

## Margaav Fish Market: Breaches of Safety and Hygiene Rules

Goa's Margaav Fish Market was recently closed by authorities following an inspection that cited multiple violations of safety and hygiene protocols. The market, known for its variety of fresh fish and seafood, attracts both local residents and tourists. The closure disrupts the livelihoods of many fish vendors and traders who depend on the market for income. The reopening date remains unclear as authorities await the implementation of necessary corrective measures.

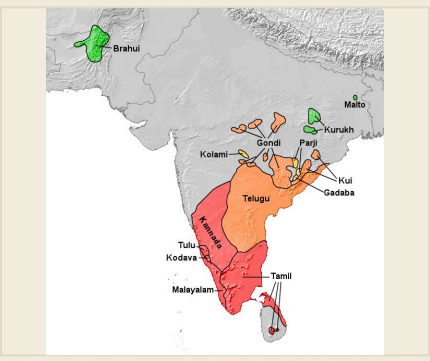
CRIME

## Man Arrested for Rape of 4-Year-Old Girl in Cancoña, Goa

In the coastal town of Cancoña, Goa, police arrested a man suspected of raping a 4-year-old girl. The incident was reported by the family, after which authorities acted swiftly, taking the suspect into custody at the nearby police station. Investigators are conducting forensic examinations and questioning witnesses to establish the details of the crime. The case highlights growing concerns about child protection in the area, prompting calls for stricter legal enforcement. Officials assured the public that the investigation will be thorough and the suspect will be punished according to law.

AGRICULTURE

## Repair of Tileri Canal Delayed Until 2027



The Indian government announced a delay in the essential repair of the second Tileri Canal. The project, initially slated for immediate attention, will now be carried out in 2027. This postponement raises concerns about the canal's continuous functionality and its impact on irrigation and water supply. The government has not yet provided a detailed explanation for the delay, leaving many stakeholders and farmers questioning the reasons behind the decision.

LOCAL

## Air quality in Panaji deteriorates after Diwali

Air quality in Panaji, Goa, has declined following the Diwali festival. Readings recorded by authorities have reached 155, indicating unhealthy pollution levels. In response to the situation, a mobile unit will be deployed across the city to monitor air quality. The unit will collect data and assess pollution levels, helping authorities take necessary measures to improve air quality.

## Inauguration of New Art Venue HH Art Spaces in Goa

HH Art Spaces, an art venue located in Goa, recently came into the spotlight following a report by the local portal ItsGoa. The space was created to showcase contemporary visual art, host exhibitions, and provide a platform for emerging artists in the region. Its opening adds a dedicated art venue to the state's cultural landscape. ItsGoa's feature report underscored the venue's potential, expecting to attract both local and tourist audiences. Experts believe HH Art Spaces will play a crucial role in nurturing creative talent and enhancing Goa's cultural diversity.

CRIME

## Village police arrest two men over sexual assault of minors

Village police have arrested two men on charges of sexually assaulting minor girls. The arrests were made after the victims' families filed a complaint, prompting local law enforcement to immediately launch an investigation.

The two suspects have been taken into custody at the village police station and are currently undergoing interrogation. Authorities stated that they will follow all legal procedures to ensure a thorough investigation.

The case has highlighted the need for stricter measures to protect minors in the state, and authorities have pledged to strengthen actions against sexual crimes.

SPORTS

## Goa 7s Rugby Tournament poised to reach international level

The Goa 7s Rugby Tournament recently concluded, generating significant excitement in the Indian rugby landscape. The tournament showcased the talent and capability of local players, and organizers expressed their ambition to elevate the event to an international level. The tournament's success has paved the way for greater recognition and participation in rugby in India. Organizers are now working to secure a place for Goa 7s in the premier international rugby circuit.

## Ankur Tewari curates music for Serendipity Arts Festival

Ankur Tewari, a prominent music curator, shared his role in crafting the music lineup for the upcoming Serendipity Arts Festival in Goa. He highlighted the challenge of balancing traditional and contemporary sounds while maintaining a cohesive artistic vision. Tewari emphasized the importance of sharing the stage with emerging artists alongside established ones. The festival will run for several days and showcase Goa's rich cultural heritage through musical performances and workshops.

During the interview, Tewari explained that the selection process involved extensive scouting and collaboration with local musicians. He noted that the festival's theme revolves around unity in diversity, allowing artists from various backgrounds to collaborate. Tewari also mentioned that the program will feature interactive sessions where audiences can engage with artists for a deeper appreciation of music.

The Serendipity Arts Festival is expected to attract national and international visitors, boosting cultural tourism in Goa. Tewari's curatorial approach is designed to create a memorable experience that reflects the region's artistic heritage and pushes creative boundaries. Organizers anticipate that the festival will establish Goa as a vibrant hub for music and art.

Tewari expressed optimism about the festival's impact on the local music scene. He believes the event will inspire a new generation of musicians and listeners, ensuring the continued growth of Goa's musical legacy.

EDUCATION

## Navelim College launches digital buddy camp for Goa's senior citizens

Navelim College in Goa has launched a digital buddy camp for senior citizens, aimed at equipping them with basic digital literacy.

The program runs for several weeks and covers topics such as using smartphones, accessing government services online, and staying safe on social media. Participants receive hands-on training from volunteers and are provided with tablets for practice.

College officials said the initiative addresses the growing need for digital inclusion among the elderly in the region, enabling them to stay connected with family and access essential services.

By promoting digital confidence, the camp aims to reduce isolation and improve the quality of life for Goa's senior population.

## Former technician launches cake business in Goa

A former technical professional who worked at Persistent Systems has taken a big step by leaving her corporate job to pursue her passion for baking. She is based in Goa and is dedicated to establishing her own cake business within the next year. The former technical professional aims to create a unique and delicious experience for customers with her handmade cakes and innovative designs. This bold move reflects a growing trend of individuals seeking fulfilling careers beyond traditional corporate roles.

BUSINESS

## Goa Fresh Brand Launched to Boost Local Products with Better Packaging

The Goa Fresh brand was officially inaugurated, marking the start of a new initiative to promote the state's local produce. The event emphasized enhancing the appeal of Goan agricultural products through the brand's modern packaging solutions.

During the launch, officials stated that the new packaging would not only improve shelf life but also highlight the authenticity and quality of Goan products. The brand's visual identity has been designed to resonate with both domestic and international markets, aiming to establish Goa as a key destination for premium, locally sourced food items.

The Goa Fresh campaign will be rolled out across retail outlets and online platforms to ensure widespread product reach. Through a combination of packaging innovation and branding, the initiative aims to build a strong market presence for Goan products.

Stakeholders hope that the brand launch will increase demand for local goods, contributing to the economic growth of Goa's agricultural sector. The event underscores the state's commitment to making its agricultural and food markets more competitive and consumer-friendly.

TRAVEL

## Vande Bharat Train Linking Bengaluru, Coastal Karnataka, and Goa to Be Flagged Off by Modi

The Railway Ministry has announced that a Vande Bharat Express will soon begin operations between Bengaluru, the coastal districts of Karnataka, and Goa. The new service will provide a fast, premium travel option.

with Railway Minister Ashwini Vaishnaw, will flag off the train's inaugural run. The ceremony highlights the government's commitment to promoting modern rail connectivity in the region.

Officials say the connection will reduce travel time and strengthen tourism and business links among the three regions, offering passengers a faster alternative to existing services.

TRAVEL

Couples planning their weddings have a wide array of enticing options available across India. A recent report has identified eight key wedding destinations that promise a magical experience for both guests and newlyweds.

The list includes locations from diverse geographical regions, catering to different preferences and themes. From the royal palaces of Udaipur to the serene and beautiful beaches of Goa, these locations offer unique backdrops for wedding celebrations.

These selected destinations are known for blending traditional Indian wedding aesthetics with stunning natural or architectural landscapes, making them top choices for destination weddings in the country.

POLITICS

## Sanjay Pawar to Return to Rajya Sabha on November 22

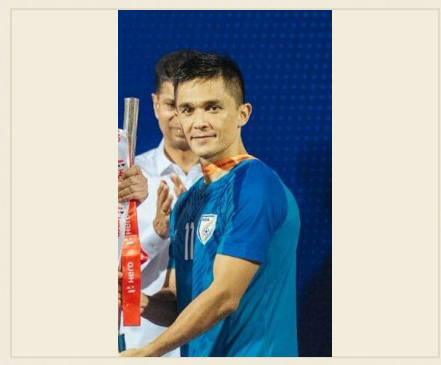
Rajya Sabha member Sanjay Pawar will resume his duties on November 22. Pawar had been absent from the Rajya Sabha for some time. His return is expected to be welcomed by his political allies and constituents. The specific reasons for his previous absence have not been publicly disclosed.

## Ration Cards Temporarily Suspended, Clarifies Supply Department

The Civil Supplies Department has clarified in a statement that ration cards have been temporarily suspended, not cancelled. This move follows widespread confusion and concern among the public regarding the status of their ration cards. The department has asked citizens to remain calm and assured them that the suspension is temporary and will be lifted soon. The department has not yet provided a specific timeline for lifting the suspension.

SPORTS

## Sunil Chhetri Joins FIFA Player Impact Programme



Sunil Chhetri, captain of the Indian national football team, has been selected for the prestigious FIFA Player Impact Programme. The initiative aims to empower players to use their platform for positive social change. Chhetri, known for his on-field skills and off-field compassion, is expected to make significant contributions to the programme's goals. His inclusion is a major milestone for Indian football and reflects the growing recognition of Indian athletes on the global stage.

SPORTS

## FC Goa Parts Ways with Goramangi Singh, Seeks Foreign Coach

FC Goa has confirmed that it has parted ways with head coach Goramangi Singh.

The club stated that the decision was mutual and that it will look for a foreign coach for the next season.

No replacement has been announced yet.

The club hopes the new appointment will bring a fresh perspective to the team.

Singh had been associated with the club for some time prior to this decision.

## Goa Government to Abolish Stenographer Posts Due to Declining Use of Shorthand

The Goan state administration has announced plans to abolish stenographer (steno) posts across all departments, as the need for shorthand has declined with the advent of digital transcription tools. An order issued by the Department of Personnel and Administrative Reforms stated that new vacancies will not be filled, and existing employees will be offered options for retraining, redeployment, or voluntary retirement. Officials said the move aligns with the state's e-governance initiatives and will free up the budget for other priorities. The process will affect a limited number of employees, and trade unions have been notified, who are likely to raise objections. The phased elimination is targeted for completion within the next two years.

## India Remembers Dr. Salim Ali, Emphasizes Urgent Need for Bird Conservation

Renowned Indian ornithologist Dr. Salim Ali, often referred to as the "Birdman of India," was remembered in a special article highlighting his pioneering work in documenting the country's bird species. The piece outlined the establishment of the Bombay Natural History Society's bird survey programs and his influence on many wildlife researchers.

threats to bird habitats across India due to challenges such as urban expansion and climate change, urging policymakers and citizens to strengthen conservation measures. Experts described the recent decline in migratory bird populations as a warning sign, making the need for swift action clear.

Carrying forward Ali's legacy, conservation organizations have called for the expansion of protected areas, stricter enforcement of existing wildlife laws, and increased public awareness campaigns. The article concluded that bird protection is essential not only for biodiversity but also for Indian agriculture and ecosystem services.

## Scooterist Killed in Two-Wheeler Collision in Nuvem, Goa

A scooterist died on a road in Nuvem, Goa, after his vehicle collided with another two-wheeler in an incident that occurred on Thursday. The Times of India confirmed the death following a police statement. Local authorities are investigating, and the scene has been cordoned off. The accident highlights the need for stricter enforcement of traffic rules in the area.

## IFFI 2026 Preparations in Goa: 159 International Films, 7,000 Delegates Expected

Goa is ramping up preparations for the International Film Festival of India (IFFI) 2026. The state government and organizers are preparing infrastructure on a large scale for the incoming film professionals and audiences.

This edition will feature 159 international films, showcasing the diversity of world cinema. Participation from approximately 7,000 delegates—including film makers, critics, and other industry members—is expected.

Organizers believe the event will boost tourism and provide a platform for cultural exchange, strengthening Goa's identity as a global film festival destination.
