Mizoram Governor confers gold and silver medals on 44 Assam Rifles personnel

During a formal ceremony in Mizoram, the Governor conferred gold and silver medals on 44 Assam Rifles personnel in recognition of their distinguished service. The Assam Rifles, a regiment of the Indian Army, has been actively engaged in security operations in the region. The medals were presented by the Governor, who commended the soldiers for their dedication and professionalism. The award ceremony underscored the continued cooperation between the state government and the armed forces in maintaining peace and stability. The recipients were honored with a brief address and a formal presentation of the medals.

Mizoram government raises DA by 50%, doubles allowance for contract staff

The Mizoram state government has issued an order to set the Dearness Allowance (DA) for all government employees at 50% of their basic salary, a significant increase from the previous rate.

The same order doubles the allowance provided to contract employees, which will improve the remuneration of staff working on temporary contracts.

The change will be effective from the date of the order, and the Finance Department will make the necessary adjustments in the payroll. Officials said the step was taken to mitigate the rising cost of living and to bring the benefits for contract employees closer to those of regular staff.

The government did not provide details on additional budget allocations or the financial impact of this measure.

Mizoram launches three-night tourist package amid challenges from rising visitor numbers

The Tourism Department of Mizoram has announced a three-night tourist package aimed at attracting more visitors to the state's natural attractions. The package includes accommodation, local transportation, and guided tours.

Officials stated that this step has been taken in response to the surge in tourist arrivals over the past year. The package aims to simplify travel planning for visitors and generate additional revenue for local businesses.

However, state tourism officials warned that the increasing number of visitors is straining the existing infrastructure. Challenges include limited accommodation capacity in popular villages, traffic congestion on major routes, and the need for better waste management.

"We are working with private operators to expand accommodation options and improve road connectivity," said a spokesperson for the Mizoram Tourism Development Board. "The three-night package is a step towards creating a more sustainable tourism model."

According to initial estimates by the board, this initiative is expected to increase tourism-related employment and encourage investment in hospitality services in Mizoram.

Government raises Dearness Allowance by up to 4% to boost employee salaries

The Finance Ministry announced on Monday that the Dearness Allowance (DA) will be increased by up to 4%.

The increase will be applied in a tiered manner, with employees earning up to ₹1.5 lakh per month receiving a 2% hike, while those in higher salary brackets will receive a 4% increase.

The adjustment aims to offset rising inflation and enhance the purchasing power of public employees. It will take effect from the next payroll cycle, starting in May.

The government had increased the DA by 3% in 2023, and this new increment follows a review of cost-of-living indices.

Employees across the country are expected to see a slight increase in their net salaries once the updated DA is applied.

Jothankhuma appointed new Information Commissioner of Mizoram

Jothankhuma, the new Information Commissioner of Mizoram, took oath on Thursday, formally beginning his duties under the Right to Information Act. The oath-taking ceremony was held at the state secretariat in Aizawl, attended by senior officials and the Chief Secretary.

As Information Commissioner, Jothankhuma will oversee information requests across all state departments, handle appeals, and ensure compliance with transparency standards. His tenure is seen as significant for strengthening access to public records and reducing pending RTI cases.

The appointment is part of the state government's initiative to enhance accountability. Jothankhuma, who has extensive experience in public administration, is expected to bring a disciplined approach to the commission's operations.

Several stakeholders, including civil society organizations, welcomed the oath-taking, stating that an active Information Commissioner plays a vital role in protecting citizens' right to information. The commission will continue with new application processes and monitor departmental disclosures in accordance with national RTI guidelines.

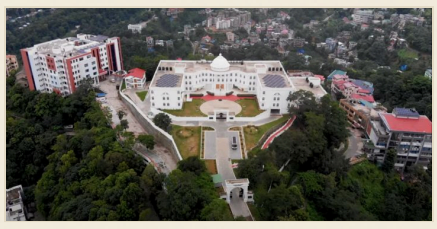
Mizoram High Court acquits man previously convicted of sexually exploiting minor daughter



The Mizoram High Court announced today that a man previously convicted of sexually exploiting his minor daughter has been acquitted. The court overturned the earlier verdict that had found the accused guilty of a serious offense. A brief statement issued by the court did not provide detailed reasons for the acquittal. The decision reverses the prior conviction, which had attracted significant attention in the state. Legal experts noted that such decisions are subject to appeal in higher courts, though no comments were made on this specific case.

The name of the acquitted individual was not made public; he had been serving a sentence following his earlier conviction. The case involved allegations of familial sexual abuse, a sensitive issue from both social and legal perspectives. The High Court's order restores the individual's legal status until any further legal challenges arise.

Officials did not indicate whether a retrial or additional investigation would take place. The decision highlights the role of judicial review in serious crimes involving minors.

Mizoram Board Releases 2027 Class 10 and 12 Exam Calendar

The Mizoram Board of Secondary Education (MBSE) has released the official schedule for the 2027 HSLC and HSSLC examinations via its website and a press release. The calendar includes the start and end dates for written exams, as well as the timeline for result declarations. The board has also provided a detailed timetable for each subject to help students prepare for specific exam dates.

According to the schedule, HSLC examinations will begin in early March 2027 and conclude by mid-April. HSSLC examinations will start in late March and continue until early May. The board stated that results for both boards will be declared within 45 days of the final exam.

schedule may only be changed due to unforeseen circumstances. They urged students and parents to regularly check the official website for any updates. The release of the dates is expected to help students organize their revision plans and reduce last-minute uncertainty.

The announcement was made during a press briefing attended by the board's secretary and representatives from the state education department. No changes to the exam format or syllabus were announced alongside the schedule.

Mizoram extends tourism season after 2 million visitors in 2024

The Mizoram Tourism Department has launched a new initiative to encourage tourists to stay longer in the state, aiming to increase per-capita tourism revenue following a record of approximately 2 million visitors since the beginning of 2024. This step is intended to maximize the benefits of the state's growing popularity among domestic travelers.

The campaign includes special travel packages for stays of three nights or more, discounted accommodation rates, and arrangements with local tour operators to showcase lesser-known cultural and natural sites. Promotional materials highlighting the benefits of extended stays are being distributed on digital platforms and at major travel fairs.

Officials stated that longer stays would increase average spending on food, transport, and local experiences, thereby boosting total tourism income. The department will monitor stay patterns and adjust incentives to ensure sustained growth.

This move aligns with Mizoram's broader strategy, which includes infrastructure development, improved connectivity, and enhanced services for travelers, aiming to position the state as a high-value tourism destination in Northeast India.

Mizoram Student Union Demands Removal of MPSC Chairman, Announces Protest

The Mizoram Student Union (MSU) has formally demanded the removal of the chairman of the Mizoram Public Service Commission (MPSC). In a statement, the union said the chairman's conduct warranted his dismissal, though it did not specify the allegations. The union also announced that it will organise a protest to press the demand. It urged state authorities to act promptly, warning that a demonstration will be staged if its demand is not met. State officials have not yet responded to the demand, and details of the protest's timing, location and scale remain unclear. The call for the chairman's removal adds a new dimension to the ongoing debate over the functioning of the MPSC, the body responsible for recruiting civil servants in the state.

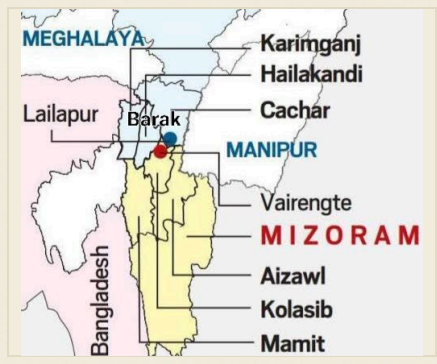
Customs in Mizoram Seizes Popseed and Gold Worth Rs 64.84 Lakh

The customs department in Mizoram reported the seizure of popseed and gold articles with a combined market value of approximately Rs 64.84 lakh. The items were discovered during a routine inspection at a checkpoint in the state, and officials immediately initiated confiscation procedures. While officials did not disclose the exact weight of the popseed or the number of gold pieces, the total value was estimated based on prevailing market rates. The action underscores the continued efforts of Indian enforcement agencies to curb the trafficking of precursor chemicals for narcotics and illegal precious metals. The Times of India published the story, citing statements from customs officials. Initial reports made no mention of any arrests, and investigations are ongoing to trace the source of the seized goods and their intended destination. The incident is one of several recent enforcement actions in the Northeast, where porous borders have facilitated smuggling. Authorities have pledged to tighten monitoring and enhance cooperation with neighboring states. As the case proceeds through the judicial process, the disposition of the seized gold—whether auction or other statutory disposal—will be clarified and made public.

Mizoram and Assam Agree to Maintain Status Quo on Border and Conduct Joint Patrols



According to reports from New Delhi, the chief ministers of Mizoram and Assam met to defuse border tensions. Both states agreed to preserve the existing line of the shared boundary, thereby avoiding disputes that could arise from unilateral changes. The accord also provides for the formation of joint patrol units comprising police forces from both states. These patrols will operate regularly, focusing on surveillance, rapid response, and coordination with local communities. Officials say the measure is intended to build confidence, curb illegal activities such as smuggling, and ensure smooth administration in border districts. The agreement reflects a broader trend toward cooperative security arrangements among Indian states. Details of implementation, such as patrol routes and command structures, will be finalised in the coming weeks, with both governments pledging full cooperation. Local leaders and residents welcomed the decision, expressing hope that it will bring lasting peace and development to the sensitive border region.

Mizoram Environmental Panel Demands Ban on Overnight Street Parking in Aizawl

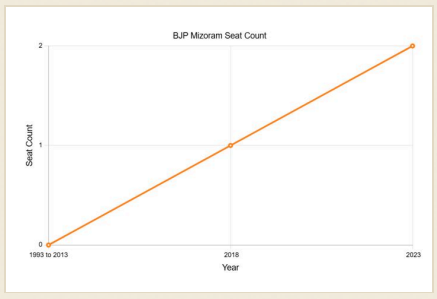
Mizoram's environmental inspection body has formally requested the Aizawl Municipal Administration to impose a ban on overnight street parking. The agency stated that leaving vehicles parked late into the night leads to waste accumulation, obstructs drainage, and endangers the safety of pedestrians and drivers.

The petition cites recent instances of waste buildup and warns that uncontrolled parking could increase the risk of flooding during the monsoon season. It also noted that illegal parking hinders emergency services and traffic flow during peak hours.

The municipal administration has been asked to formulate and strictly enforce clear rules, establish designated parking areas, and impose penalties for violations. Officials have not yet issued a public response, but the proposal has been placed on the agenda for discussion at the upcoming council meeting.

If the proposal is approved, it will align Aizawl's urban cleanliness and road safety efforts with similar measures adopted in other cities in the Northeast.

Mizoram BJP leaders urge Nitin Nabin to expedite passage of Sixth Schedule Amendment Bill



The Mizoram state BJP leadership, during a meeting with senior party representatives, urged Union Minister Nitin Nabin to use his influence to ensure a speedy vote on the Sixth Schedule Amendment Bill. Leaders highlighted the bill's significance for the state's tribal areas and demanded minimal delay in the process.

The Sixth Schedule Amendment Bill aims to amend the constitutional provisions governing tribal autonomous districts, which is particularly relevant for Mizoram. Party officials stated that swift legislative action would resolve long-standing developmental and governance issues in the region.

Sources within the BJP indicated that the appeal to Nitin Nabin reflects the party's broader strategy to pass the bill before the conclusion of the upcoming parliamentary session. No official response was available from the minister's office at the time of reporting.
