Mizoram PSC releases 2026-27 examination calendar and PDF schedule

The Mizoram Public Service Commission has published the 2026-27 examination calendar on its official portal and via CollegeApply News, providing a detailed timeline for recruitment exams across the state. The calendar is available in PDF format, clearly outlining dates for application periods, written exams, and interview stages, particularly for administrative, police, and teaching positions. Candidates are advised to carefully review these dates and plan their preparation accordingly. The Commission also stated that candidates should regularly monitor the official portal for any changes or updates and adhere to the specified deadlines. This move aims to enhance transparency and assist job seekers in Mizoram in planning their entry into civil services.

Mizoram Integrates GPS Tracking and EPOS with Digital Weighing Systems in Ration Trucks

The Department of Food and Civil Supplies in Mizoram has announced a new initiative to equip ration distribution trucks with GPS tracking devices. This step will ensure that rations reach their correct destinations by enabling real-time monitoring of the trucks.

Additionally, the department has planned to integrate Electronic Point of Sale (EPOS) machines with digital weighing systems. This will allow for precise measurement of grains and other items, thereby reducing the likelihood of fraud and weighing errors.

Officials state that this combined system will provide a transparent audit trail, making it easier for authorities to verify that beneficiaries are receiving the correct quantities of rations. The technology is expected to streamline operations and enhance public trust in the ration distribution network.

The project is set to be implemented in the coming months, with full deployment across the state following pilot tests in select districts.

Mizoram Cabinet Raises DA by 50%, Regularizes Long-Term Contract Employees

In a recent meeting, the Mizoram Cabinet decided to increase the Dearness Allowance (DA) for state employees by 50 percent to help alleviate the burden of rising cost of living.

Along with the DA hike, approval was also granted to regularize long-term government contract employees by converting them to permanent positions.

This dual move aims to boost employee morale and align the state's pay structure closer to central government standards. Detailed information regarding implementation will be provided to the concerned departments shortly.

These measures are expected to help control wage inflation and provide greater job security to long-term contract employees.

TRAVEL

Mizoram Aims to Boost Revenue by Extending Tourist Stays

The northeastern state of Mizoram is implementing new strategies to extend the duration of tourist visits, aiming for a significant increase in tourism revenue. This initiative follows the arrival of over two million tourists since the start of 2024. The state government is exploring various methods to enhance the tourist experience and encourage longer stays, which could lead to a greater economic impact.

Officials stated that this step has been taken in response to the surge in tourist arrivals over the past year. The package aims to simplify travel planning for visitors and generate additional revenue for local businesses.

However, state tourism officials warned that the increasing number of visitors is straining the existing infrastructure. Challenges include limited accommodation capacity in popular villages, traffic congestion on major routes, and the need for better waste management.

"We are working with private operators to expand accommodation options and improve road connectivity," said a spokesperson for the Mizoram Tourism Development Board. "The three-night package is a step towards creating a more sustainable tourism model."

According to initial estimates by the board, this initiative is expected to increase tourism-related employment and encourage investment in hospitality services in Mizoram.

Mizoram launches three-night tourist package amid challenges from rising visitor numbers

The Tourism Department of Mizoram has announced a three-night tourist package aimed at attracting more visitors to the state's natural attractions. The package includes accommodation, local transportation, and guided tours.

Mizoram orders probe into errors in MPSC Storekeeper recruitment

The Mizoram government has issued an order to investigate errors identified in the Mizoram Public Service Commission's (MPSC) recruitment process for the Storekeeper position. The State Chief Minister's Office directed a detailed review of the selection process, documentation, and adherence to recruitment standards in the order. Officials were instructed to prepare a report on any procedural lapses and suggest corrective measures. This step was taken following transparency-related concerns raised by senior officials. Disciplinary action or re-recruitment may be considered based on the findings of the investigation.

Mizoram Promotes Tourism with Three-Night Travel Package

The Tourism Department of Mizoram has launched a new promotional scheme encouraging tourists to stay for three nights, allowing them to fully enjoy the state’s scenic landscapes and cultural sites. This initiative promotes longer stays over typical one-day trips, enabling visitors to comfortably explore remote villages, waterfalls, and tribal festivals. Officials say the three-night package will strengthen local hotel businesses while highlighting the region’s natural beauty. Extended stays are expected to increase tourism expenditure and provide sustainable income to the communities of the hill state.

Mizoram Students' Union demands removal of PSC Secretary and Exam Controller over recruitment errors

A student union in Mizoram has demanded the removal of the Secretary and Exam Controller of the State Public Service Commission (PSC), citing serious errors in the recent recruitment process. The union stated that these irregularities have compromised the fairness and transparency of the selection process, necessitating immediate accountability.

The petition filed by the union highlighted specific procedural lapses, although no detailed statistics or names were provided. It requests the state government to take prompt action to restore the confidence of aspiring candidates and ensure compliance with established rules in future recruitments.

State officials have not yet responded to the demand, and the PSC has not commented publicly on the allegations. The relevant authorities are likely to investigate the matter and determine necessary corrective steps.

The student union emphasized that ensuring merit-based recruitment is essential to maintaining the credibility of public services and stated that it will continue to monitor the situation.

This news will be updated as the situation develops.

Mizoram government raises DA by 50%, doubles allowance for contract staff

The Mizoram state government has issued an order to set the Dearness Allowance (DA) for all government employees at 50% of their basic salary, a significant increase from the previous rate.

The same order doubles the allowance provided to contract employees, which will improve the remuneration of staff working on temporary contracts.

The change will be effective from the date of the order, and the Finance Department will make the necessary adjustments in the payroll. Officials said the step was taken to mitigate the rising cost of living and to bring the benefits for contract employees closer to those of regular staff.

The government did not provide details on additional budget allocations or the financial impact of this measure.

NIA arrests Assam resident as mastermind in Mizoram drug case

The National Investigation Agency (NIA) announced today that it has arrested an individual from Assam, whom it identifies as the mastermind behind a drug trafficking network operating in Mizoram. According to the agency, the arrest was part of a coordinated operation aimed at dismantling networks supplying narcotics across state borders.

The NIA stated that investigators identified the suspect based on intelligence and surveillance, linking him to the planning and financing of drug trade operations in Mizoram. The arrest is expected to yield crucial leads regarding the supply chain and associated criminals.

Law enforcement officials have not disclosed the exact location of the arrest or the individual's name, as the operation is under security. The NIA said the case will be investigated under the Narcotic Drugs and Psychotropic Substances (NDPS) Act, and further arrests may follow.

This move highlights the central agency's focus on curbing drug trafficking in the Northeast, where drug-related activities have seen an increase in recent years. Officials have appealed to the public to cooperate with the ongoing investigation and report any suspicious activities.

The NIA will release further updates as the case progresses.

Government raises Dearness Allowance by up to 4% to boost employee salaries

The Finance Ministry announced on Monday that the Dearness Allowance (DA) will be increased by up to 4%.

The increase will be applied in a tiered manner, with employees earning up to ₹1.5 lakh per month receiving a 2% hike, while those in higher salary brackets will receive a 4% increase.

The adjustment aims to offset rising inflation and enhance the purchasing power of public employees. It will take effect from the next payroll cycle, starting in May.

The government had increased the DA by 3% in 2023, and this new increment follows a review of cost-of-living indices.

Employees across the country are expected to see a slight increase in their net salaries once the updated DA is applied.

President Droupadi Murmu to attend Mizoram University convocation on Nov 30

President Droupadi Murmu will attend the convocation ceremony of Mizoram University on November 30. The event will be held in Aizawl, the capital of Mizoram, where the university will confer degrees on its graduating students. Her presence underscores the central government's support for higher education in the northeastern region.

The ceremony will be attended by university officials, faculty, graduates, and their families. It will highlight the university's recent academic achievements and its role in developing skilled human resources for the state and the country.

The President's participation also sheds light on ongoing efforts to expand educational infrastructure and opportunities in remote areas. The convocation will celebrate the achievements of the graduating class while reinforcing the importance of higher education.

The university has scheduled the event as part of its annual academic calendar, and it is expected to receive extensive coverage from local and national media. The President's presence is hoped to inspire graduates as they embark on their professional careers.

Details regarding the exact venue and schedule of the ceremony have been released by the university administration, confirming the President's participation.

Jothankhuma appointed new Information Commissioner of Mizoram

Jothankhuma, the new Information Commissioner of Mizoram, took oath on Thursday, formally beginning his duties under the Right to Information Act. The oath-taking ceremony was held at the state secretariat in Aizawl, attended by senior officials and the Chief Secretary.

As Information Commissioner, Jothankhuma will oversee information requests across all state departments, handle appeals, and ensure compliance with transparency standards. His tenure is seen as significant for strengthening access to public records and reducing pending RTI cases.

The appointment is part of the state government’s initiative to enhance accountability. Jothankhuma, who has extensive experience in public administration, is expected to bring a disciplined approach to the commission’s operations.

Several stakeholders, including civil society organizations, welcomed the oath-taking, stating that an active Information Commissioner plays a vital role in protecting citizens’ right to information. The commission will continue with new application processes and monitor departmental disclosures in accordance with national RTI guidelines.

Mizoram High Court acquits man previously convicted of sexually exploiting minor daughter

The Mizoram High Court announced today that a man previously convicted of sexually exploiting his minor daughter has been acquitted. The court overturned the earlier verdict that had found the accused guilty of a serious offense. A brief statement issued by the court did not provide detailed reasons for the acquittal. The decision reverses the prior conviction, which had attracted significant attention in the state. Legal experts noted that such decisions are subject to appeal in higher courts, though no comments were made on this specific case.

The name of the acquitted individual was not made public; he had been serving a sentence following his earlier conviction. The case involved allegations of familial sexual abuse, a sensitive issue from both social and legal perspectives. The High Court’s order restores the individual’s legal status until any further legal challenges arise.

Officials did not indicate whether a retrial or additional investigation would take place. The decision highlights the role of judicial review in serious crimes involving minors.

Mizoram Governor Commends Assam Rifles for Border Security and Anti-Narcotics Operations

The Governor of Mizoram praised the Assam Rifles for their vigilance at the border and their operations against narcotics. The paramilitary force conducts regular surveillance along the Mizoram-Myanmar border, keeping the region secure. Additionally, the Assam Rifles have taken action against drug trafficking routes. The Governor highlighted the importance of these efforts for regional stability and thanked the troops for their dedication.

Mizoram extends tourism season after 2 million visitors in 2024

The Mizoram Tourism Department has launched a new initiative to encourage tourists to stay longer in the state, aiming to increase per-capita tourism revenue following a record of approximately 2 million visitors since the beginning of 2024. This step is intended to maximize the benefits of the state’s growing popularity among domestic travelers.

packages for stays of three nights or more, discounted accommodation rates, and arrangements with local tour operators to showcase lesser-known cultural and natural sites. Promotional materials highlighting the benefits of extended stays are being distributed on digital platforms and at major travel fairs.

Officials stated that longer stays would increase average spending on food, transport, and local experiences, thereby boosting total tourism income. The department will monitor stay patterns and adjust incentives to ensure sustained growth.

This move aligns with Mizoram’s broader strategy, which includes infrastructure development, improved connectivity, and enhanced services for travelers, aiming to position the state as a high-value tourism destination in Northeast India.

Mizoram Identifies 129 Drug Hotspots, Accelerates Anti-Narcotics Drive

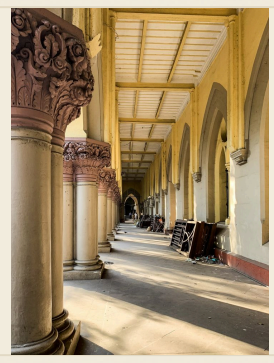

Mizoram police have identified 129 drug hotspots across the state, including urban markets, transport routes, and remote villages where drug trafficking is suspected. This list was prepared in collaboration with the state police and the Narcotics Control Bureau.

deployment of additional personnel, surprise raids, and increased surveillance to intensify anti-narcotics efforts at these locations. Checkpoints have been established on major highways and border points to prevent drug smuggling.

Officials stated that this strict action aims to curb the rising consumption of drugs among youth and dismantle trafficking networks that exploit the state's open borders. The effectiveness of these measures will be evaluated regularly.

BUSINESS

Kolkata High Court Dismisses Petition to Cancel Mizoram Government's ₹38 Crore Property Sale

On Wednesday, the Kolkata High Court dismissed the petition seeking to annul the Mizoram state government's sale of property worth ₹38 crore. The court examined the documents submitted by the government and found no legal basis to reverse the transaction, as it had been carried out in accordance with existing regulations. The decision makes it clear that the judiciary will uphold contractual agreements unless there is a clear legislative violation. Mizoram officials had demanded cancellation, citing procedural lapses, but the court ruled that the sale complied with all applicable rules.

Legal experts believe the ruling could affect attempts to annul large-scale deals by other state governments and underscore the need to follow the entire process from the outset.

Mizoram Environmental Panel Demands Ban on Overnight Street Parking in Aizawl

Mizoram’s environmental inspection body has formally requested the Aizawl Municipal Administration to impose a ban on overnight street parking. The agency stated that leaving vehicles parked late into the night leads to waste accumulation, obstructs drainage, and endangers the safety of pedestrians and drivers.

The petition cites recent instances of waste buildup and warns that uncontrolled parking could increase the risk of flooding during the monsoon season. It also noted that illegal parking hinders emergency services and traffic flow during peak hours.

The municipal administration has been asked to formulate and strictly enforce clear rules, establish designated parking areas, and impose penalties for violations. Officials have not yet issued a public response, but the proposal has been placed on the agenda for discussion at the upcoming council meeting.

If the proposal is approved, it will align Aizawl’s urban cleanliness and road safety efforts with similar measures adopted in other cities in the Northeast.
